DEDICATION

We, the Senior class of 1959, dedicate this book to the people who have helped us most during the period in which our lives have been shaped.

They have understood our problems, assisted us during times of stress, listened to our complaints with smiling patience, inspired us with confidence, and encouraged us when we were disheartened.

Words cannot express our appreciation for all these things. But to show how much we love, honor, and respect them we, the senior class, dedicate the 1959 Jacket Buzz to our PARENTS.

The 1959 JACKET BUZZ Staff takes pleasure in presenting a new section--THE MIRROR of Service and Leadership.

The students pictured on these pages have been chosen by the faculty on the bases of SERVICE, CHARACTER, and LEADERSHIP. They are those seniors who have served our school enthusiastically, simply for the spirit and love of serving. They are the type of leaders who exert a wholesome, lasting influence on the student body.

Thus, we present with pride and gratitude those students who have earned a place in THE MIRROR of Vernon High School.

GEORGE BARAGONA

The new pledges were invited into the club after a one-act play entitled "The Gentleman Walks Outside." Kathryn Russ gave a speech centered around the Beta Creed, then asked those the club and faculty had passed to come forth and receive their invitations.

The 1958 State Beta Club Convention was held in Clearwater, Florida. There, Yvonne Parrish and Julaine Johnson sang "Side By Side" with the accompaniment of Linda Hightower. Mrs. Dykes took them and Rodney Parrish to the Fort Harrison Hotel where the convention was held.

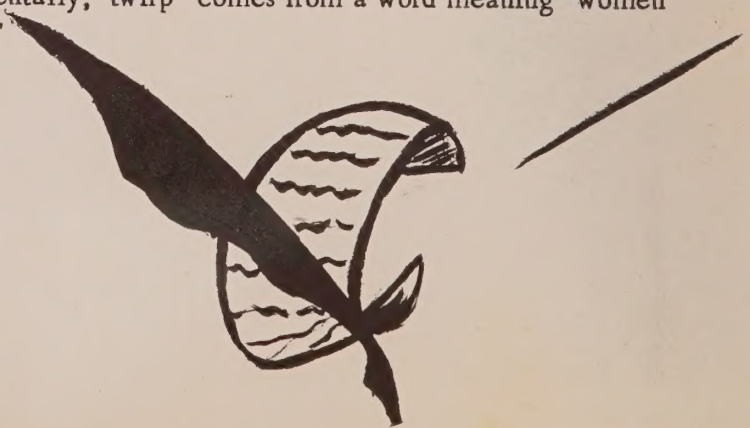
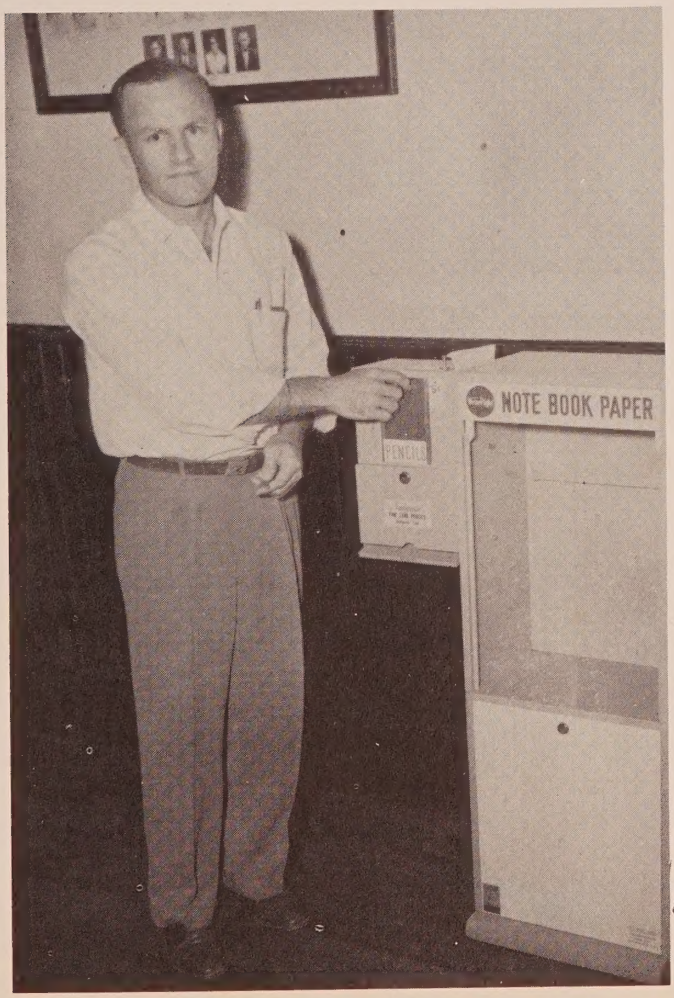
This year the Student Council was in charge of the assemblies, worked with Beta Club on an honor code for the school and placed paper and pencil machines in the hall so they would be convenient to all students. For a little variety they sponsored "Twirp Week," during which girls ask boys for dates, pay expenses, etc.

Incidentally, "twirp" comes from a word meaning "women pay all."



Mr. Russ explains some of the working techniques of the paper and pencil machines.



Mr. Russ is the advisor of the VHS Student Council.

Vernon sponsored a Christmas Invitational Tournament December 19-20 in which four teams participated - Blountstown, Chipley, Graceville and Vernon.

Friday night, Dec. 19, Graceville and Blountstown played, with Graceville coming out on top 60-50.

Vernon and Chipley met, with Chipley winning 60-47.

Our boys beat Blountstown 62-44 in the consolation match, and Graceville licked Chipley 72-65 to win the tournament.

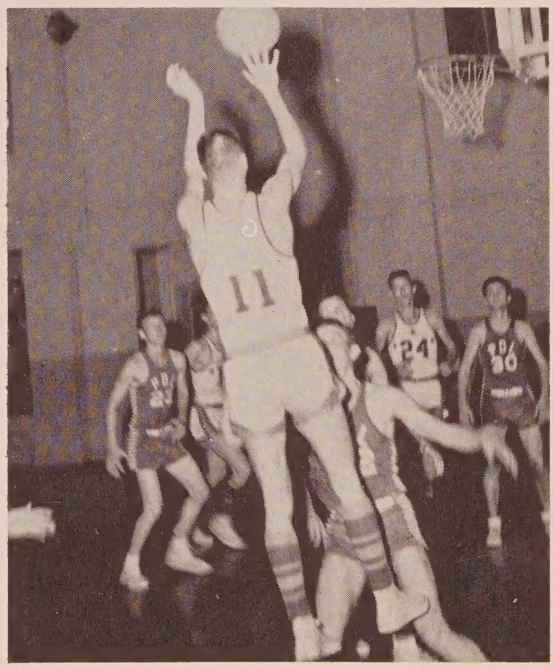
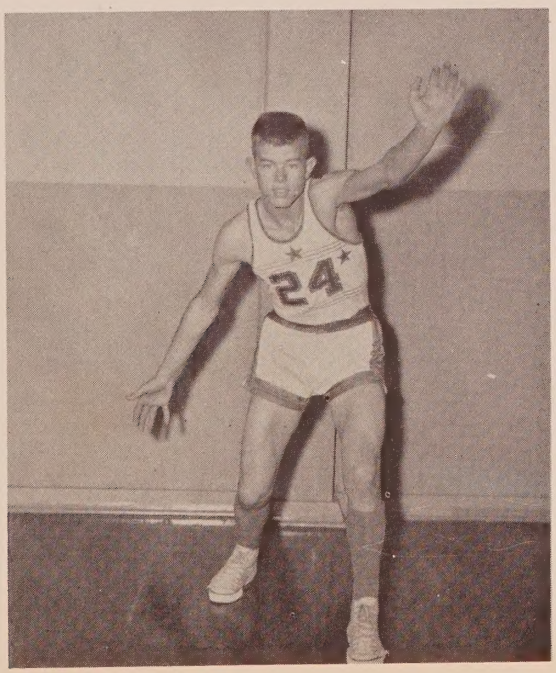
CARLTON WELLS - Forward

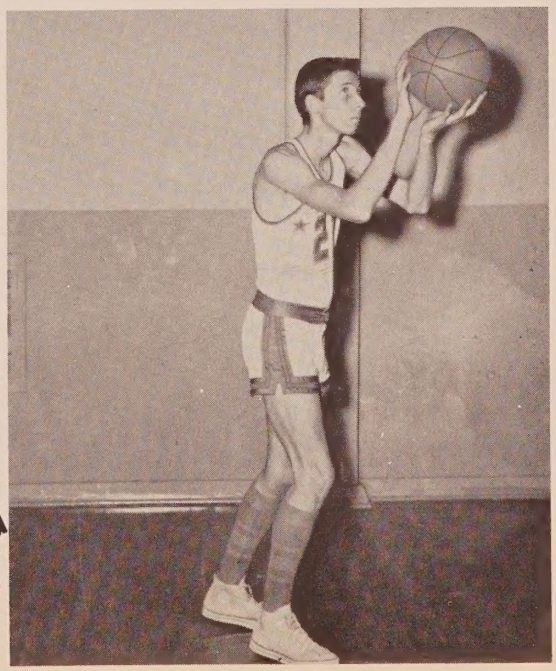
Our main topic of conversation those cold days was basketball.

The Jackets keenly felt the loss of set-shot artist, Clinton Hicks, a senior. His loss to the squad possibly could have meant the difference between winning some of the "lost" games we had this season. He had a back injury and was out part season.



WAYNE CARTER - Center





LOVE OF THE GAME beyond the prize.
